WINES

Our wine philosophy in terms of style and structure is simple, wines that are true to their nature and that complement our style of food.

Executive Chef Surender Mohan and our Head Sommelier have developed a small, yet strong portfolio of wines which will enhance & enrich the flavours of our cuisine.

We have taken pleasure in studying the balance on spices, flavours & aromas to perfectly pair with 240 wines from the menu.

Sommelier Selection

Served by Coravin®

The Coravin wine preservation system is designed to pour wine without removing the cork, so wine always tastes like it has just been opened.
